- List some dates you are already booked on the *Open Dates* sheet on the next page. (If you don't have any bookings for the next three weeks, "prime the pump" with a made-up name or two.)
- Transfer the dates you want to work that you are not already booked to the sheet.
- Star the really close dates and offer an extra gift for booking on a "star date."
- If you are not booked on a highlighted date, spend the time "dialing for dollars" and offer dates from your *Open Dates* sheet. "I'm booking the week of _____. I have _____ and _____ available."
- At a Show, offer your *Open Date* sheet to EVERY GUEST with a pencil and say, "These are the dates that I'm available to work. If you'd like to get a group together, why don't you pick a date that works for you. Just pencil in your name and the best number and time to reach you."
- If someone asks, "Are those the only dates you have?" respond by asking, "What were you looking for that you didn't find?"
